

## TBWUK - UKCA

Our UK company, Thomas Bell-Wright International Ltd. have officially attained the esteemed status of an Approved Body for UK construction products, in line with Article 43 of the Construction Products Regulation 2011

### Fire Testing Services:

Are you planning to introduce your product to the UK market? Does it require testing for Reaction to Fire or Fire Resistance? Look no further! We are proud to be listed in the UKMCAB Database as an Approved Laboratory for Reaction to Fire and Resistance to Fire testing.

- Do you want to place your product on the UK market?
- Is the product covered by one of the UK-designated standards?
- Does the product require Fire Resistance or Reaction to Fire testing?

If your answer is yes to any of these questions, we can help. Our expertise allows us to conduct fire testing under AVCP System 3 requirements. For AVCP Systems 1+ and 1, we can conduct fire testing on behalf of the approved certification body.

### Why Choose Us for Fire Testing:

- Listed on the UKMCAB database as an approved testing laboratory.
- Test reports issued under our UKCA-approved and UKAS-accredited laboratory.
- Door-to-door service.
- Fastest test report turnaround times in the industry.

Whether you require fire testing for mandatory certification or a voluntary certification scheme, Thomas Bell-Wright can assist you throughout the process.

Does your product require Reaction to Fire or Fire Resistance testing to be placed on the UK market? If so, we can help!

Do you want to place your product on the UK market?

Is the product covered in one of the UK designated standards?

Does the product require Fire Resistance or Reaction to Fire testing? If so, we can help.

We are listed in the UKMCAB Database as an Approved Laboratory for Reaction to Fire and Resistance to Fire testing.

We can conduct fire testing under AVCP System 3 requirements.

For AVCP Systems 1+ and 1, we can conduct fire testing on behalf of the approved certification body.

You can now test your products with Thomas Bell-Wright with the test reports being issued under our UKCA-approved laboratory.

Require fire testing for a voluntary certification scheme?

Thomas Bell-Wright can help.
